EXPLANATION OF RELEVANCE

References AA through AG, AL through AQ, and AT were identified and discussed in the present application, and Applicants stand by the statements in the specification concerning the teachings of those references.

The German counterpart to reference AD, together with references AH, AI and AJ, were cited by the German Patent and Trademark Office during examination of the counterpart German application. Since all of these references are in English, no further comment and concern of the teachings is necessary.

Copies of each of the above references together with Form 1449 are submitted herewith.

As of the date of mailing of this Information Disclosure Statement, a first Office Action on the merits has not been received in connection with this application, and therefore, this Information Disclosure Statement is in compliance with 37 C.F.R. §1.97(b)(3), and no fee is necessary.

All claims of the application are submitted to be patentable over the teachings of the above references, taken singly or in combination. Early consideration of the application is therefore respectfully requested.

Submitted by,
